

Dear Kindergarten Friends,

We are going to be in class together next year! I can't wait to meet you and introduce you to the new Ox Ridge. Some of you have older siblings at school already, and for others, you will be the first to attend Ox Ridge. Regardless, we will all be learning how school works together.

Here's a bit of information about me: I went to Ox Ridge School, so I love it very much. Now I live in Fairfield with my husband, three kids and our dog, Luki. We love to hike together, watch movies and go camping. I can't wait to learn more about you!

In our class, we will be enjoying stories, learning about the alphabet and letter sounds. Everyone will play fun math games, explore numbers, and become meteorologists! Cool! I really like to sing, garden, do science experiments and art projects. You will have a chance to join me this year!

Please make sure that you've got a big backpack - not junior size, and no wheels, please. It should be big enough for folders, your lunch, a snack and big library books, too! I hope you are ready to have a really good time learning together. Until then, enjoy the rest of your summer! See you soon!

Mrs. Henry
